Abdulla Hussain Mondal

Sr. Html Developer

A passionate HTML developer with a keen eye for detail and a dedication to creating clean, accessible, and user-friendly websites. With 11 years + of experience in HTML, CSS, Bootstrap, Scss, jQuery and beginner in React my objective is to leverage my skills to contribute to innovative web projects that push the boundaries of user experience and interface design. I am committed to staying updated with the latest web technologies and standards to deliver cutting-edge solutions that meet and exceed client expectations.
